

Draft Dodger Shawl

©Jen Conrad 2005

Materials Needed:

- ☺ US size 10 circular, as long as you can find (I used the extra long cable from my Denise set)
- ☺ Worsted weight yarn
- ☺ Stitch markers (3 ea)

How I did it:

CO 40 stitches

K first row, placing a marker ever 10 stitches. HINT: make the last marker you place be a stand out one, as it will be the first marker you come to for the increase rows.

KFB(Knit into the Front and Back) of first stitch, *K to 1 stitch before marker, KFB, slip marker, KFB, repeat from *, KFB on the last stitch.

K next row

Repeat these two rows until:

- A) The shawl is the size you want it to be
- B) You run out of yarn
- C) You get bloody well sick of knitting the darn thing!

Enjoy!
